Eventually we will have three small rooms available for some really cool projects. One of the rooms is about 9x11 and has hardwood floors. Not my favorite, but it will do for awhile. The other two rooms are more like the dog door kind of size and with tile floors. That would make my current project even better. I was going through some of the forums at MiNIM and ran across your website. I love the way you do things with the Rambo Game, and your enthusiasm is infectious. I downloaded the Game, and as I was opening the zip folder, I was immediately taken back to "The Searchers." I probably downloaded this game a few times before I finally bought it and watched the whole thing. I also downloaded your Rambo and Skyler comic (is that the best name for a comic ever?) and am still working my way through them. Thanks for an amazing product, an amazing web site, and an amazing spirit. Your fan, John Rambo October 15, 2012 9:06 pm Evan- Thank you so much. I am not sure how you know my "spirit" but I appreciate it. You made some great points at MiNIM. The best thing is that I have made some great friends with MiNIM, and we always share our findings with each other. Speaking of sharing, I do hope you still have the head phone Rambo image that you put together with Kojima. I always wanted to get it to work. He had it working and I was just confused how he did it
