AUTHOR Jason Dart 1 year ago @ Mr. Dart Hi, I think your course is fine as it is written. I am not an accredited instructor. AUTHOR Jason Dart 1 year ago @ Mr. Dart I am not sure about how much feedback is given, but if it is anything to go by, I give 30% feedback. Also I do not have a specific time slot. Hello Mr. Dart First I would like to thank you for the chance to offer

feedback to the course. I think you are one of the better instructors in the field of finance, I am not sure if you remember a course of mine. If you could reply to this, I would appreciate it. "It was a great learning experience. Very good instructors, the courses were well written and you are able to contact the instructors." AUTHOR jason dart 1 year ago Thanks for the comment! I am glad the course was helpful and that you liked it. AUTHOR Jason Dart 1 year ago @Jason Dart Could you please reply to this? "Thanks for the course. Very practical and informative. I was surprised with how good the guestions are, I have never seen the kind of preparation they go through to give great questions. I had taken a course at UT Austin several years ago, I got a lot out of it. I saw how the questions were being presented in a different class, this course is much more well prepared. The instructor is great, also great course. I got a lot of insight into the content he is covering. Too bad I 0cc13bf012

Payment information: Visa, MasterCard, American Express About: Complete your registration and verify your email address, you will receive a Welcome email with more information about the course and the access key. Tutorial: The
