Full details of Elden Ring:

In the Lands Between there is a vast and various world of people to fight against, traps to escape, and monsters to overcome. These people include monsters, and mythical creatures, but they also have their own daily lives and problems. In these lands between the people and monsters of the world, you can choose your own way to live. If you connect to what the world needs, you can change everything from your own daily life, and the life of the world, to monsters and people.

Elden Ring is different from other fantasy games in many ways. Firstly, you will be able to discover how your character will develop. As you progress through the game, it will shape your character with its choices and level up your attributes to

Opinion: Best Discussion on Strategy Mon, 21 Jan 2014 15:44:18 +0000Opinion: Best Discussion on Strategy331

Hiya guys! I want to talk about a tiny strategy game. It was released in 2012 and I was very skeptical and suspicious about it since it was only a week after the release that I heard of achievements of the first week and it had not even reached 200,000 sales after 9 months. Then, the developer graciously decided to give me my money back because I was being a p*y. What I'm saying is you should always trust the developer. It's a company called Might & Magic and it's an indie game studio. They do not have the needed resources to fool around with a 'complete elaborate' strategic game. They've stuck to their programming pride which is making different kind of games. I**

am talking about the minute game reviewers ran the review of the best strategy game. What I'm trying to say is, don't trust these 'sales' after you've played it. You can have the piece of mind that it's a good game, no matter how many of other said to you why it sucks a hundred times over. That is the only way I know the quality of a game. On the other hand we are talking about strategy isn't it? Right? No? So, I will talk about what a strategy game is in the first place for the people that do not know of it. Everyone knows of god games and has played strategy games, how about you? \m/
