And if it's so good, why not share it with everyone? Chocolate cake mix can be just the thing to fulfill your moment of self-indulgence. The Chocolate Cake Mix comes from a one-hour YouTube video that requires no cooking, and includes the following: two chocolate cake mixes, peppermint extract, butter, cream cheese, marshmallow fluff, powdered sugar, and Epsom salt. Yes, you can mix this all in one bowl, no cooking required. A bonus part of the video is that it uses the same recipe but substitutes a vanilla chocolate cake mix with a regular cake mix. You then mix it with the extras, spoon the mixture on top of a cake, and bake it. Your cake is done in 5 minutes flat. Watch the video and see for yourself. To make the chocolate cake mix, break up the chocolate cake mix into a bowl. Then melt the butter, marshmallow fluff, peppermint extract, cream cheese, powdered sugar, and Epsom salt. Mix together the ingredients. While you are watching the video, you will also notice that it is being recorded on a cake stand. The recipe says to use a cake stand, but the video doesn't really show what one would do in practice. If you wish to use a stand, it's all done in the video, and you can buy a cake stand for about \$20. You can buy a frosting tip for \$15. Recommended products Get a hold of a cake stand for \$20.
