## **[Extra Quality] Download Grachi Season 2 Episodes**

Season 4 began airing on the cable network FXX on September 5, 2013, with 12 additional episodes produced. The new season, starring brothers and co-stars Zac Efron and Dwayne Johnson, is set to premiere in Canada on May 25 on CTV. The show was canceled on February 19, 2014 after one season. While the cancellation was somewhat surprising, it is likely that the final season of Beverly Hills Chihuahua was no longer a commercial success. On the contrary, the first season of Beverly Hills Chihuahua was so successful that it helped Glee achieve cult status. The show was about a chihuahua (voiced by Terry, played by Tim Reid ) who was stranded in the Beverly Hills home of a millionaire only to find a bunch of high schoolers living there and be mistaken as a child. The four kids adopted the chihuahua and taught him to perform. At the end of the first season, Terry is made into a living doll, giving him the ability to talk and sing. Once again, this was a show that was canceled unexpectedly, and it was canceled after only two seasons: the third season was due to start airing in October 2014, but another change was announced. On July 24, 2014, it was announced that Beverly Hills Chihuahua would be shifting to a primetime Saturday block on ABC starting in the fall of 2015. This block will also include Veep, The Goldbergs, Fresh Off The Boat and Black-ish. Considering that Ghost Whisperer was cancelled despite having fans and critics fawning over it, it is stunning that Push got renewed for a second season. Maybe fans aren't its audience, after all.
