Letatwin Lm 390a Software 28 ((FULL))

Download

Ready for even the most demanding jobs, the pc portable LP-450A/PC marking machine offers automatic and non-automatic marking with up to 300mm width. Ideal for small- to medium-scale companies, this marking machine can be easily programmed to produce virtually any type of cable marking: label printing, wire drawing and connecting, component marking and much more. With the free programming software, you can also enter the required marking information. Reliable and robust, the LP-450A/PC marking machine is easy to use and a pleasure to operate. And with a ready-to-use 4-colour tank you can start off production immediately. The efficient and user-friendly software lets you enter data and preview. The intuitive, user-friendly interface allows you to view records and save them directly on your PC. The data can be printed through the printer or transferred through your PC as a file to your computer. The free available LETATWIN PC EDITOR software allows you to install your own LETATWIN printer-driver onto your computer and use it without limitation for printing - be it directly to your application or through a LAN-network or USB-memory stick. The marking machine is designed for use on a stationary platform, which will keep it from moving when in use. The compact, robust LM-390A/LX-300A is ideal for use as a portable marking machine. Thanks to many advanced features, the free PC software, a large internal memory and USB-interface, the LM-390A/LX-300A is perfect for on-site use. Five ready-to-use printing inks are available in one tank. The compact, robust LM-390A/LX-300A is ideal for use as a portable marking machine.
